To Whom It May Concern,

I would like to enthusiastically endorse Chelsea Moore as an outstanding teacher. She is energetic, organized and very child oriented. As her Supervising Professor I saw a person that is far beyond her years of experience. Chelsea pays attention to detail and carries out her plan for each child.

Chelsea Moore relates to children. They want to be around her and seek her approval which she freely demonstrates to all of her students. She demonstrates a "natural" ability to relate to all students.

Hiring Chelsea Moore to your staff would truly be an addition not a liability.

To Whom It May Concern:

I'm writing this reference letter on behalf of Chelsea Moore. I was Chelsea's cooperating teacher during her student teaching experience at High Country Elementary.

Mrs. Moore has a natural gift for teaching young children. She exhibits eagerness and confidence in her abilities during her classroom assignment. Chelsea approaches each student with love, patience and an enthusiasm for learning. She has a great desire to make learning fun for students. Mrs. Moore instinctively recognizes each student's strengths along with their weaknesses. She works with struggling students to encourage them to try harder. She challenges the above average student to achieve more.

As Mrs. Moore gains more experience she will grow to be a wonderful teacher. She will be a valuable member of any instructional staff.

Sincerely,

Bethany Tanner
